

Please complete the New Members Membership form, sign the declaration below and return it to me either by e-mail or by post. I will then arrange for the application from to be considered at the next meeting of the General Committee, which meets on a monthly basis.

If you do not know any current members who are able to propose and second your application, don't worry – this can be taken care of at the meeting.

A cheque should accompany your completed application form for the total amount due in respect of the annual membership fee and if relevant berthing fees.

As soon as your membership has been approved by the General Committee I will write to you with the sailing programme and training programme along with other general information about the Club. A membership number will be given, it is needed to book any courses with the club.

I look forward to receiving your application and cheque in due course.
