St Catherine's Sailing Club submits its annual race results to the RYA as part of the Portsmouth Yardstick Scheme. The club uses the RYA's published PN's as a benchmark along with local performance data obtained from the RYA's analysis website when setting handicaps. Boats without a published RYA PN are allocated a Trial Number. All handicaps are reviewed on a regular basis & maybe subject to change as specified in the club's Sailing Instructions.

Helms whose boats are not listed above & wishing to compete should contact the Sailing Committee at least 24hours prior to the race start in order for a number to be allocated.
